So, on June 18, 2017, I posted a thread that got a good reputation, and I want to say thank you guys for all the support, but I found a way ... I want to tell you all that I will no longer be answering your questions, because I have decided that I cannot do this anymore, and I

will no longer be answering your questions because I do not have the energy or energy to answer your questions anymore. I will also no longer be wasting my time. But I want to thank everyone who supported me and wrote many wonderful words on my profile. Thank you for your support and kind words. I will continue to communicate, but I won't answer any more.
