
Download Film The Viral Factor Torrent [UPD]

Viral Factor is a 2012 Hong Kong-Chinese action film directed by Dante Lama and starring Jay Chou and Nicholas Tse. The supporting cast includes Lin Peng. A film about the confrontation between three major Chinese factions. Chaos reigns in the city, gangs do not spare anyone, there are many dead and wounded on the streets. At this moment, the leader of the group appears to stop the lawlessness. The plot is simple and predictable, but, unlike many films of the genre, it looks easy and without rewinding. Yes, and she looks interesting. A lot of fights, fights with knives, gunfights, explosions and a lot of blood - it's all there.
