---

#### The aim of the SERIES is

- to provide new editors of South African scholarly journals with the tools to implement publishing best practice; and
- to boost their confidence as editors.

#### The aim of this SESSION is to discuss and answer questions on:

- The editorial process, from submission to publication
  - Peer-review and different approaches to peer-review
  - Quality control incl. plagiarism and ethics
  - Engaging with authors and relationship building
  - New trends in open access digital publishing, open data and Artificial Intelligence
-
