

YOUTH IN INTERNATIONALISATION OF SOUTH AFRICAN SCIENCE, TECHNOLOGY AND INNOVATION: ADVANCING SUSTAINABLE DEVELOPMENT GOALS

The **Academy of Science of South Africa (ASSAf)** and the **Department of Science and Innovation (DSI)**
cordially invite you a webinar to showcase
the youth's role in the agenda of Internationalising South African Science, Technology, and Innovation (STI).
This event forms part of commemoration of Youth Month in South Africa.

*The theme for 2023 Youth Day and Youth Month is "Accelerating youth economic emancipation for a sustainable future".
It is befitting to showcase internationalisation of youth in STI specifically by exploring respective role in advancing South
Africa's socio-economic endeavours, through SDGs.*
