TALKING SCIENCE

**PASSIONATE ABOUT
YOUR SCIENCE?**

Share it with the world!

**"Research worth pursuing
is research worth sharing."**

Dr Nehemiah Latolla, winner of FameLab South Africa
and FameLab International 2022

#FameLabSA

The “Pop Idols” of Science

Strengthening Science Engagement and Taking South African Science to the World

Tshiamo Legoale was the first South African country winner to win the international FameLab competition in 2017, placing South African science on a world stage.

- Eligible to all institutions or organisations involved in science, technology, engineering and mathematics (STEM) research, higher education and engagement
- An opportunity to build skills and capacity for science communication within your tertiary institution, science council or organisation
- Provides a platform for your institution to profile your research nationally and, for the winner, internationally
- From heats, winners automatically qualify as FameLabSA semi-finalists
- Semi-finalists receive a focused masterclass in science communication
- The national winner will represent South Africa internationally
- Participants become part of a global network of FameLab alumni

Expression of Interest Form

To register your interest to host a heat or partner with FameLab, please complete and submit this form to famelab@jivemedia.co.za. Alternatively, complete the online expression of interest form here: https://bit.ly/FameLab_EOI

PART 1: Organisation's Details		
Name of Organisation		
Contact Person		
Telephone No.		
Email Address		
PART 2: Logistic Details		
Have you hosted a heat previously?	Yes	No
If yes, when?		
Do you have internal capacity for coordination of an online or on-site heat?	Yes	No
Do you require assistance to help with coordination?	Yes	No
Would you like training and coordination of the heat by Jive Media Africa? (Online for R49 680 or on-site for R82 800 all inclusive.)	Yes	No
State the proposed dates for hosting the heat		
Are you able to provide a venue for hosting of the heat? (if on-site)	Yes	No
Please indicate any other costs which you may be able to cover:		
Catering		
Data for participants		
Photography /Marketing		
Audio-visual (microphones, stage, lightings etc.)		
Travel for your winning participants (to attend masterclass and semi-finals in Johannesburg/Cape Town, if a live on-stage event)		
Any other considerations?		

FameLab is the international competition that gets everyone talking science
