

THE BEAUTY OF ASTRONOMY

AN ART COMPETITION

**Attention all aspiring artists across Africa,
are you ready to embark on an exciting journey?**

Join us in celebrating the beautiful intersection of art and astronomy in an extraordinary competition that invites you to explore the wonders of the universe through your unique artistic lens.

The competition has three categories which people can enter:

- 1) Primary school learners
- 2) Secondary school learners
- 3) University Students

In your artwork you need to communicate the important role of astronomy in our daily lives.

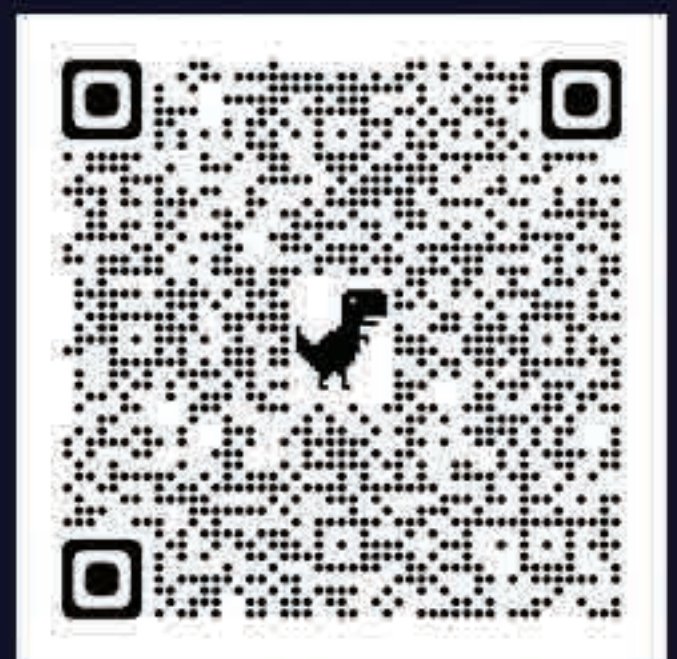

The winning artwork will be displayed at the IAU General Assembly, as well as during National Science Week at UWC.

Due date for submission of artwork is 30 June 2024.

When submitting, provide your full name and name of the school / institution you are attending and grade with a brief introduction of your artwork (Max 100 Words). Also provide your teacher's name and contact details.

Prizes are up for grabs.
