

SHAPE THE FUTURE OF SCIENCE COMMUNICATION IN SOUTH AFRICA

THE SURVEY HAS BEEN **EXTENDED TO**
25 FEBRUARY 2026!

We need your expertise!

The HSRC is evaluating a **Draft SciCom Skills Development Competency Model** to ensure it reflects South Africa's diverse science communication landscape.

Your confidential input is vital to strengthening SciCom teaching, learning, and practice across South Africa into the future.

Who Should Participate?

Scientists, Professional Science Communicators, Educators, Journalists, Policymakers, and Science Intermediaries at Museums, Science Centres and Research Institutes.

Participation is **confidential and anonymous** and will take a maximum of **15 minutes to complete the survey**.

The survey is live between
**1 December 2025–25
February 2026**

Take the Survey **NOW** by
